

JUBILEE PARK

PARKLANDS TREE RETENTION AND REMOVAL PLAN

J:\1879 Jubilee Park Stadium\5. Design\Drawings\InDesign

LEGEND

○ Existing trees to be retained +protected

○ Existing trees to be removed

Note: This plan is prepared FOR INFORMATION purposes only, and has been compiled from survey data from various sources as well as aerial imagery approximating tree locations, where survey data has been omitted. The indicated tree removal locations are therefore indicative only and this plan does not constitute a contractual Tree Removal document. Trees shown to be removed are in response to proposed building, civil and landscape works known in October 2021 and may alter subject to detailed design resolution of some park areas. All tree removals are to be reviewed and approved on site by Frankston City Council prior to any demolition works being undertaken.
