# Council Plan

CEO, Phil Cantillon

# Council Plan outcomes

Our Council Plan has been developed to improve six key outcomes for Frankston City Council, and have been captured below with Council's key priorities. Our priorities describe what we will focus our work towards over the next four years and ensure we target our initiatives and resources to get the right things done.

## Healthy and safe communities

**Priorities**

- ✓ Active and healthy lifestyles that support residents living independently longer
- ✓ Long-term health and learning outcomes established in early childhood
- ✓ Reduction of harms from family violence, gambling, alcohol and other drugs
- ✓ Value and support young people

Community Vision 2040 Theme 1  
Healthy families and communities

## Community strength

**Priorities**

- ✓ Accessibility of services to enhance social inclusion and mental wellbeing
- ✓ Volunteering to build connections and resilience within the community
- ✓ Frankston City's arts and cultural identity

Community Vision 2040 Theme 2  
Vibrant and inclusive communities

## Sustainable environment

**Priorities**

- ✓ Climate emergency response and leadership
- ✓ Green canopy cover to reduce urban heat
- ✓ Diversion of waste from landfill
- ✓ Protection, access and connection to the natural environment

Community Vision 2040 Theme 3  
Natural environment and climate action

## Well planned and liveable city

# Engage Frankston!

CEO, Phil Cantillon

# What Community Engagement means for Frankston City Council

## Engagement Principles

A community engagement process must have a clearly defined purpose, objective and scope.

Participants must have access to objective, relevant and timely information to inform their participation.

Participants must be diverse and representative of the persons and groups affected by the matter that is the subject of the community engagement.

Participants are entitled to reasonable support to enable meaningful and informed engagement.

Participants are informed of the ways in which the community engagement process will influence Council decision making.

Participants are informed of how their input has influenced Council decision making.

#### A new Healthy Futures Hub

# Engage Frankston!

- A single portal for our online community engagement” a ‘one-stop-shop’ for all open consultations
- Hub for our community panel, extending to this Frankston City Stakeholders Group

<https://engage.frankston.vic.gov.au>

Engagement is involving our community in decisions of interest and impact.

It takes many forms; from information sharing, to direct community involvement in decision making.

# New Frankston Business Industry Chamber

The FBIC will **represent and promote the city's business and industry interests**, produce events, and manage a diverse marketing and public relations campaign for the benefit of the business community.

The FBIC will **advocate for, influence, and deliver policies and outcomes to drive economic growth** and create opportunities to invest, work, live and visit the city.

- Expression of Interest for a working group
- Formulating concepts we would like included in mission and vision statements
- Determining a draft purpose for the Chamber
